

### Registered Practical Nurse (Casual) – Diabetes Education Program

The Misiway Milopemahtesewin Community Health Center (Misiway), located in Timmins, Ontario, provides quality programs and services that honour, respect and support Indigenous culture, values and healing practices, complemented by western approaches to primary health care. Misiway's Primary Care Clinic provides a comprehensive and coordinated approach to Primary Care needs including support of traditional lifestyle practices. Misiway health care staff work closely with network of community partnerships and relationships with both Indigenous and urban organizations.

#### The Opportunity:

Job Title: *Registered Practical Nurse-Diabetes Education Program* Salary Range *\$27.00-\$32.00/hour*  
Misiway Milopemahtesewin CHC, Timmins, ON

Bring your proven experience in a clinic setting to a challenging and rewarding role in our Diabetes Education Program. As the Registered Practical Nurse (RPN) you will work as part of an interprofessional team to provide comprehensive health services to clients of all ages including assessments, treatments, health education, and support. The ability to complete skilled physical assessments in a virtual setting will be instrumental to the position. This role works in collaboration with physicians, nurse practitioners, and other health care members to ensure the best possible client care. The RPN will provide education to clients and families on health management, lifestyle changes, and self-care practices. The ability to maintain accurate client records according to organizational and CNO standards is essential.

Your knowledge or willingness to learn about the Indigenous culture will assist you to deliver high quality, culturally, competent care.

As a successful candidate your qualifications will include:

- Registered Practical Nurse in good standing with the College of Nurses of Ontario.
- Knowledge and proficiency in current, evidence-based methods and practices of primary care delivery
- Demonstrated ability to work effectively within a multidisciplinary team and willingness to adopt Indigenous approaches to care is required
- Minimum 2 years' experience in a Community or Primary Health Care setting
- Experience working with Indigenous clients and organizations is an asset
- Excellent communication and problem solving capabilities
- Computer knowledge and proficiency with the ability to learn new technology
- Willingness to work flexible hours
- A valid Ontario Driver's license is required
- Ability to speak Cree or Ojibway is considered an asset

Indigenous candidates are encouraged to apply. We welcome and encourage applications from people with disabilities. Accommodation is available on request from candidates taking part in all aspects of the selection process.

**Successful candidates will be required to provide a Vulnerable Sector Screening Police check before proceeding with hiring.**

Applications should be forwarded electronically by emailing [apply@misiway.ca](mailto:apply@misiway.ca) by Friday, July 18, 2025. Only candidates selected for an interview will be contacted.
